Frequently Asked Questions

Transportation

BUYER is responsible for arranging transportation for any horses purchased. Heritage Place DOES NOT endorse any specific transport companies, but we can help match you up with a hauler if needed.

You will have 10 days of complimentary board after the sale. On the 11th day, the agent or seller is allowed to charge board at their discretion.

ALL BALANCES MUST BE PAID BEFORE THE HORSE CAN LEAVE.

How do I receive my documents?

1. Once the horse has been completely paid for, HP will release the recipient mare via email with the sellers' contact information to reach out to the buyers and agree upon a mutually agreed pickup time. Included in the email will be an order for delivery that **MUST** be signed by the buyer and seller (or authorized person to release the horse).
2. Heritage Place will send a 2nd email to the buyer with the following documents: Coggins, health certificate, pregnancy check, breeders' certificate, and transfer.

When will the sale end?

The sale will end at 5pm CST on the last day of the sale. However, bidding will continue until no active bids have been placed within a 5-minute period.
